

**CLOSE YOUR EYES AND  
HOLD OUT YOUR BRAND.**

## Like surprises? Neither do we.

When you partner with a design firm, you're doing more than buying a service—you're entrusting them with your brand and all it entails. And when you partner with Gesture Studio, you get more than a design firm. You get a combined 25 years of experience in building and promoting powerful brands, plus a commitment to personal service you just won't get at big agencies.

So close your eyes and relax. We've got your brand covered.

Gesture Studio provides branding and strategic design services for businesses who are serious about their image. To find out how we can help you achieve your marketing goals, call or visit us online.

**MORE THAN JUST  
A PRETTY TYPEFACE.**

“I saw the coolest ad yesterday! Can’t remember what it was for, but ...”

Some design firms are so focused on making an impact that they forget to sell the brand. Not us. When you partner with Gesture Studio, you’ll get creativity that makes a splash and promotes your company, taking into consideration your audience, your market, and your specific marketing goals.

Pretty cool, huh?

Gesture Studio provides branding and strategic design services for businesses who are serious about their image. To find out how we can help you achieve your marketing goals, call or visit us online.

**INTERACTIONS SPEAK  
LOUDER THAN WORDS.**

“Please press 1 for account service,  
2 for a designer ...”

At Gesture Studio, you're more than just a number. We take a personal interest in every client. Any time you contact us, your designer will be there to answer your questions, address your concerns, and listen to your needs.

We get your need for personal service—  
loud and clear.

Gesture Studio provides branding and strategic design services for businesses who are serious about their image. To find out how we can help you achieve your marketing goals, call or visit us online.

**THIS ALSO DOUBLES  
AS A PERSONAL  
QUOTATION DEVICE.**

## Talk is cheap. Listening is free.

When you contact Gesture Studio about your marketing needs, we'll take all the time you need to communicate your specific needs, and we'll produce work that takes into consideration your marketing goals, your brand personality, and your budget. Give us a call today—we're ready to listen.

## And you can quote us on that.

Gesture Studio provides branding and strategic design services for businesses who are serious about their image. To find out how we can help you achieve your marketing goals, call or visit us online.
